### Hello. Hola. Ciao. Hallo. Ohayo. Bonjour. Namaste.

We strive to connect people to their lives and community, one ride at a time. A community belongs to everyone. So do we.

We take service to heart. Whether you're traveling every day or just here and there, we're here to help by creating positive impressions as we get you where you need to go. We even hope to inspire some joy along the way. We aim to offer support and services that make sense and make your life a little easier.

We're always looking for ways to improve our service by making it more reliable, secure, and connected. Because connecting you to life and community isn't just what we do, it's what makes us who we are.

Passengers who wish to get off at a flex stop should let their driver know which stop they wish to go to when they board. They will never be denied their drop-off if it is at a designated flex stop.
